CCO for Heartland Advisors, Inc.

FISCAL YEAR 2022

What we do today affects generations to come!

A letter from the desks of Jennifer Thompson & Felicia Tapia-Alvidrez

Co-Executive Directors

thank you

Dear PB&J Community,

First and foremost we would like to thank the community for allowing PB&J Family Services to be a staple in the community for the past 50 years! This fiscal year has marked a few changes within PB&J and we are eternally grateful for the love and trust the community has had in us.

As Co-Executive Directors we have seen PB&J evolve over our combined 38 years with the agency and we are so proud to lead our amazing staff. We couldn't be more proud to serve New Mexico, a state rich in culture, and beautiful in landscape with people who carry strong family ties. It is also a state we know, of high need where both parents, caregivers, and children need support together. PB&J has never stopped looking for gaps in services and finding the funding to meet those needs even if it requires thinking outside the box.

Our primary goal will always be to support families and children while giving them the tools they need to make the changes in their lives and break the negative cycles. As we look to the future we have hope that you will continue to show the care and support that you have for PB&J and the families that we serve.

Yours Sincerely,

Jennifer Thompson

Jennifer Thompson
Co-Executive Director

PB&J FAMILY SERVICES

2022 HIGHLIGHTS

The Metropolitan Detention Center program really hit the ground running in FY 2022. Our program manager Melinda Shultz helped to steer services and create the program anew. Parent education was successfully implemented in the facility in the wake of Covid. Additionally, child visitation was successfully implemented via the Getting Out app. In FY 22, 26 incarcerated parents and 22 children were served.

PB&J continues to offer the highest quality early childhood education in all of its three classrooms. This year the PB&J Pre-K served 41 children in South Valley ABQ, Southeast ABQ, and the Town of Bernalillo. The children in these classrooms show tremendous growth throughout the school year in their academic and social-emotional domains.

PB&J held its first-ever Children's Resource Fair at Los Padillas Community Center in the ABQ South Valley. PB&J combined forces with over 20 other non-profits in the area to bring information and resources to families in the local area. PB&J held this community event in honor of Child Abuse Prevention Awareness Month.

FISCAL YEAR 2022

What we do today affects generations to come!

PB&J FAMILY SERVICES

2022 HIGHLIGHTS

Every year PB&J Family Services works very hard to provide needed back to schools supplies for our child clients. PB&J successfully accumulated enough back to school supply donations to support 150 children in our services with items such as glue, scissors, paper, notebooks, ruler, and so much more!

During Thanksgiving PB&J has always tried to make sure that families are receiving some type of meal for the holidays. In the past PB&J has put on a large spread for the community and offered a hot meal to all that were in need. In the fiscal year 2022, PB&J met this need by packaged over 1000 food boxes for families in need.

PB&J Family Services has been running the Adopt-a-Family wish program for over 20 years. Even though the Covid 19 pandemic placed a strain on the financial well-being of the community it did not stop members of the community from reaching out and sponsoring our PB&J families. In Fiscal Year 2022 PB&J Holiday Coordinators Danielle Velasquez and Rosenda Fregoso were able to match several hundred sponsors with 400 PB&J families.
